

The Alcester Golf Club is proud to offer you an opportunity to increase your business through our sponsorship program at the course. The golf course has many visitors per day who spend a considerable length of time on our property. Sponsoring one of our tee box yardage signs or having your sponsorship on our rental golf carts gives your business the opportunity to reach those people on a consistent basis.

Tee Box Yardage Sign Sponsorships

Our yardage signs are full color signs with the framed sponsor sign approximately 12” X 18” hanging directly below. Both are in full view of the golfers as they prepare their tee shots. An example is shown here.

- 1 year sponsorship -- \$150
- 3 year sponsorship -- \$400

Golf Cart Sign Sponsorships

All of our rental golf carts have holders on the carts that hang from the top of the cart in full view of the golfers. With this signage, you are guaranteed to always have the area facing the golfers as well as the forward (outfacing) side of the holder in view much of the time.

- 1 year sponsorship.....\$120
- 3 year sponsorship.....\$300

Golf Course Scorecard Sponsorships

The Golf Course provides scorecards to all golfers. It is a two-sided card with the sponsors listed on the score side and the course map on the back. You are guaranteed exposure for your business or service.
